This is a very well maintained building in the industrial area of Claresholm. This cinder block building built in 1980 sits on a secure 1.05 acre chain link fenced lot on a main street through Claresholm's south industrial park. Currently housing a Napa auto and industrial parts business as well as The Source there are two large drive in loading doors with provision for more. There is a center wall so the building could easily house two separate businesses if desired. A great property at a reasonable price and ready for the new owner to step right in! Loading doors are 14ft. high and 12 ft wide. Florescent lights are new in 2019 with T8 bulbs, water heater and furnace were replaced in 2018. There are two separate bathrooms and a mezzanine at each end of building. Separate electrical panels for each side of the building. 6 ft door joins the two halves of the building.
