Land on 3.76 Acres

NONE, Rural, Saskatchewan

Just south of Hillmond is 3.76 acres of land which would be a great spot for your acreage. With existing fences and corrals, animals would work nicely on this rolling pasture attached to a waterbody to the South. Power has been ran onto the property with a panel box up near the septic tank. There is already a new septic tank and newly well drilled which is housed inside of a powered pump shack. Come enjoy the prairie views and make this one home.
