5 Bedroom, 3.00 Bathroom, 1,357 sqft  
Residential on 2.00 Acres

NONE, Didsbury, Alberta

Welcome to this incredible opportunity in the heart of Didsbury, AB – a rare residential acreage located within town limits! This spacious property features an older, character-filled home offering endless potential for renovation or customization. The main floor boasts 3 bedrooms, a functional kitchen and living space, and convenient upstairs laundry. Downstairs, you’ll find a fully legal basement suite with 2 additional bedrooms, a separate kitchen area, and its own laundry – perfect for extended family, guests, or rental income.

In addition to the home, the property includes several outstanding features: a massive 22’ x 14’ workshop area (formerly a greenhouse), a 40’ x 23’ greenhouse frame ready for completion, and a full 78-foot concrete tunnel beneath the shop – previously used for ballistic testing and now ideal for a storm shelter, storage, or a creative project.

With everything in good working order, this home is move-in ready but would shine with a few updates. Adding even more value, the property has already been approved for subdivision, creating a fantastic investment or redevelopment opportunity.

Acreages like this – offering space, privacy, and future potential – are almost unheard of within town boundaries. Don’t miss your

chance to own this truly one-of-a-kind property!
