MLS® #A2214723

\$340,000

2 Bedroom, 1.00 Bathroom, 1,286 sqft

Residential on 0.17 Acres

NONE, Coleman, Alberta

This large 2 bedroom home on two separately titled lots is a bit of a diamond in the rough. A little love and you'll have a great place to call home, in a super nice area of Coleman with being a hop and skip from the miners path. If you are looking for something with great potential with options to fix up what looks like a solid home, and maybe even sell or develop (subject to some due diligence of course) the separately titled 25' lot, this is the place for you! Or heck, move right in, enjoy, and have a super huge yard for your dog.

Built in 1920
