WOW! Pristine Family Home with TRIPLE GARAGE. You will LOVE this property with all it has to offer. There is a wonderful welcoming SUN PORCH as you enter the home. Nice sized foyer with closet for your coats which opens up to a large kitchen and dining area. See the organized pantry, open shelving and lots of cupboards. The dining area fits a large table and chairs all set up for entertaining. Soaring ceilings really make the main living area feel open and airy. The living room has great windows and a cozy gas fireplace. Upstairs are 3 bedrooms and a 3 piece bathroom. On the lower level is an expansive recreation room which is currently being used as a bedroom. The rec room is so large that you could easily create a 4th bedroom with closet and window and still keep the rec/games room. The bathroom has separate shower, large soaker tub and laundry area. Tons of storage as well. Outside is a fully poly fenced yard with massive blue spruce that provides complete PRIVACY. The yard is mostly concrete - so super low maintenance with very little to do but enjoy. The triple garage/shop is a DREAM with back alley access. There are 3 garage doors with one of them being 14'x23'x7' and 20'x11' and 13'x2 x 30'x6'. There is a mezzanine for storage in the larger part as well as a gas heater. The shop side has a wood stove with town permit. RV parking on cement is available too. The property is located at the edge of Beiseker with really no

neighbours. Flexible on possession.
